3) To approve and recommend the scheme of the examinations to be adopted from the AY 2021 – 22.

The following points were presented by Mr. B. Seshadri (Controller of Examination) regarding the scheme of the examinations.

The majority of Mumbai University norms of examination would be adopted except few variations.

The learner is required to earn 132 (120 + 12) credits at the Undergraduate level over a period of three years and 104 (96 + 8) credits at the Post Graduate level over a period of two years.

The learner shall be allowed to keep terms for the following semester irrespective of the number of courses failed in the previous semester. The last semester mark sheet will be issued to the learner only after clearing all the backlogs of lower examinations.

60 - 40 examination pattern would be adopted which includes 60 marks semester-end examination and 40 marks Continuous Internal Assessment.

The structure of Continuous Internal Assessment and question paper pattern for semester-end examination would be decided by the respective board of studies.

Prof. Sunil Bhagwat suggested keeping an upper and lower limit either in terms of the number of questions or marks for setting question paper.

The question paper would be set by the panel nominated by the Board of studies.

The result would be declared within 30 days from the last date of the conduct of the Semester End examination

"RESOLVED THAT the scheme of examination be adopted from the academic year 2021-22."

AC Meeting 30/10/2021
Minutes Cont...

Dr. Abhijit Phadnis congratulated the Principal for the endeavor to inculcate a research culture in the college. He suggested that there should be a proper follow up action plan by the college leadership & the organizing committee of the Conclave to ensure that it becomes an ongoing initiative rather than a one-off event.

Dr. Abhijit Phadnis also urged that the respective Board of Studies should work towards setting a 2-year action plan to be at par with the best performing institutions in the respective domain. This would provide an opportunity to gradually implement improvements in the curriculum while also providing an opportunity to the faculty members to catch up with the learning required to facilitate the implementation. Ideally this should be presented in the next academic council meeting.

Dr. Mala Lalwani suggested that the Research Conclave should be an ongoing practice and should not be a onetime event.

Dr. Mala Lalwani shared her experiences of Autonomy and said that initial teething troubles are expected. We all should be prepared for these challenges. She appreciated the introduction of Certificate courses and conferring additional credits to students doing these courses.

Mr. Sunil Bhagwat commented that with autonomy the syllabus can become more relevant and would help to add more value to the learner.

Mr. Sunil Sathe reiterated the fact that MCC learners would have a better edge in the industry due to the robust syllabus in line with the modern trends.

Mr. Pravin Mulye agreed to share his expertise with the college to design the certificate courses.
